FLEX³PRO Flexo System Analyzer

Software Fleye included

Sample Types

- Transparent Flexo Plates
- Ablation Mask
- Film
- Non transparent Flexo Plates
- Offset Plates
- 3D View Analysis
- Print sample

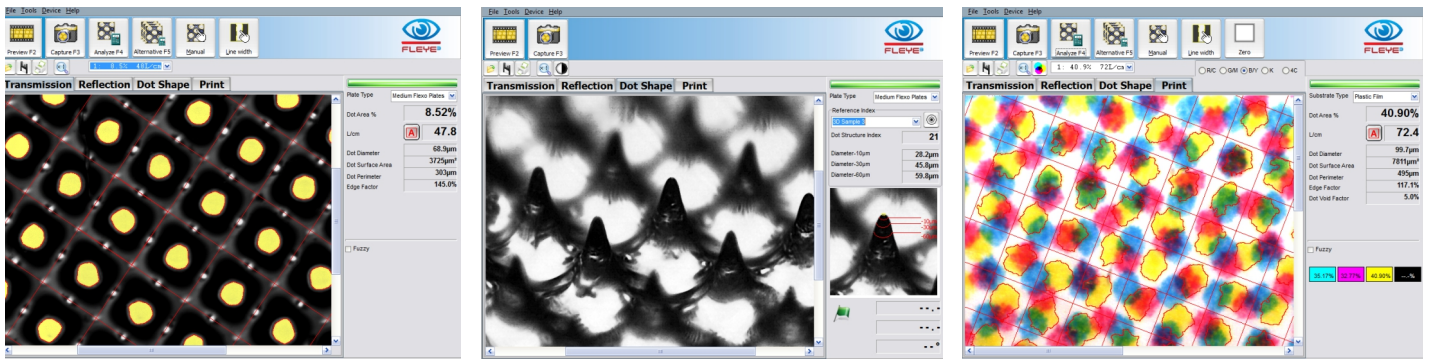

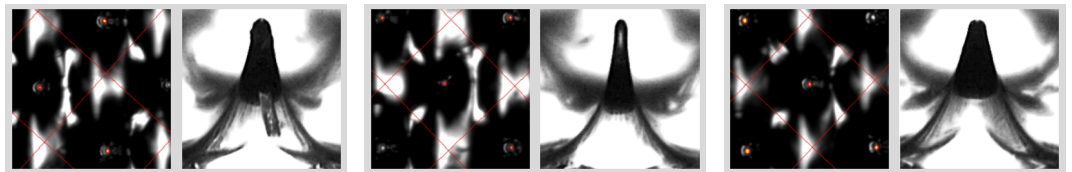

Functions Set

- Dot Area%
- Auto Screen ruling
- Dot diameter
- Dot surface area
- Dot perimeter
- Edge factor
- Stain density
- Line width
- Line quality index
- Dot structure index
- Dot height
- Dot 3D diameter
- Dot shoulder angle
- Dot relief depth
- Dot void factor
- Slur factor
- Mottle

Feature Set

- Copy&Paste Images and Data
- Compare Images
- Digital Zoom x4
- Dot cross section
- CYM color separation
- Screen angles
- Mottle structure analysis
- Print reports
- Statistics
